

CYANIDE SAFETY & EMERGENCY RESPONSE Training

J U N E
16 & 17
2022 // 8AM

Cyanco is pleased to announce the return of its Cyanide Safety Training!!

This annual event is a no-cost service we're happy to provide to our valued customers in the effort to keep everyone safe along the cyanide value chain. After a brief hiatus due to COVID, we have expanded the 2022 program to combine our traditional cyanide safety curriculum with an emergency response session, including a full-scale emergency response demonstration. Join us to take advantage of this opportunity to refresh your cyanide safety knowledge!

The Cyanide Safety Program is designed to provide mine professionals with an understanding of cyanide chemistry and safe, responsible chemical use in production, transport and storage. Presented in a Train-the-Trainer format, bring these learnings back to your teams with the latest in cyanide safety and proper handling practices.

The 2022 Cyanide Training & Emergency Response training includes:

- ✓ Cyanide Characteristics and Risks
- ✓ Safe Handling, Storage & Work Practices
- ✓ Transportation and Packaging
- ✓ Emergency Response
- ✓ Industry Best Practices

New this year, we have added a Hazardous Material Awareness and Basic Incident Command System (ICS) session. On Day 2, Cyanco's Emergency Response Team will present a full-scale cyanide emergency response demonstration, with participation from Winnemucca's first responders and Local Emergency Planning Committee (LEPC) members.

WHO: We welcome all mine safety and operating personnel whose responsibilities include: Health and Safety Training; Loss Control; International Cyanide Management Code; Environmental Compliance; Emergency Response; Metallurgy; or Hazardous Materials Management. Feel free to share this invitation with other mine personnel who might benefit from attending.

AT NO COST TO YOU: There is no charge for this important safety program. Seating is limited, however, so be sure to register early to secure your spot.

We look forward to seeing you in Winnemucca!*

Details on each session can be found on the event registration page. [RSVP now](#) to confirm your attendance.
