Supporting the community

Since its beginnings in 1990, Cyanco has believed that we must be the best neighbors possible in support of our local communities.

Just like our many partners and customers in the mining industry, Cyanco is active in helping out local schools, foodbanks and hospitals – as well as supporting children in need – in our hub locations.

At this time of year, especially, many people need a helping hand. That's why we are proud to donate holiday funds, on our customers' behalf, to the Hospital Rouen, the Winnemucca Food Bank, the Bernard-Hamel Food Bank (Quebec), and the Houston Food Bank.

Thank you for all your support in 2023, making this possible!
